

Your complete solution for outdoor cooling!

Turbo Cool

RENTAL PROGRAM

Don't let **summer heat** drive your customers away from dining outside!

Your patio or deck can be just as comfortable as your indoor entertainment spaces. Our Turbo Cool outdoor cooling system creates crisp, refreshing air that feels just like outdoor AC.

Say goodbye to traditional fans that do little more than circulate the hot, muggy air. **Rent or Buy our Turbo Cool system** and keep your outdoor tables full!
